REINTEGRATION ASSISTANCE FOR MIGRANTS
under the Frontex Joint Reintegration Services

ENGLISH VERSION

We are here to support you
WHAT ARE THE BENEFITS OF VOLUNTARY RETURN?

We understand that returning to your country of origin might be difficult. We are here to support you. We can help you prepare for the journey and inform you about the opportunities you have once you arrive.

If you have decided to return voluntarily or received a return decision from the Member State’s national authorities, you may be eligible to receive assistance to reintegrate back into the society of your home country. Frontex, the European Border and Coast Guard Agency, has developed a programme called Joint Reintegration Services, that engages with civil society organisations in your home country. These organisations are experienced in offering reintegration assistance and stand ready to support you as you make a fresh start back home.

RETURNING MAY SEEM COMPLEX. IT CAN BRING UP A LOT OF QUESTIONS AND CAUSE ANXIETY. TO SUPPORT YOU IN FINDING THE ANSWERS, SPECIALISED STAFF SUCH AS RETURN AND REINTEGRATION COUNSELLORS WILL BE AT YOUR DISPOSAL. THEY WILL WALK YOU THROUGH THE LEGAL, ADMINISTRATIVE, AND PSYCHOSOCIAL ASPECTS OF RETURN AND REINTEGRATION, GUIDING YOU TO MAKE THE RIGHT CHOICES FOR YOUR FUTURE.

If you need special care, for example, if you are an unaccompanied minor or a pregnant woman, if you were a victim of human trafficking, or if you have medical issues or disabilities, or you are departing with children, please notify your Return and Reintegration Counsellor. The Counsellor will make sure that any relevant personal condition or circumstance will be taken into account to make it fit better to your specific type of reintegration support.
DO I QUALIFY FOR REINTEGRATION ASSISTANCE?

You can receive reintegration assistance if:

a. You have not yet received a final negative decision on your request for stay, legal residence or/and international protection (asylum), and you decide to return. In that case we speak about voluntary return.

b. You have received a final negative decision, and/or a so called ‘return decision’, which sets a deadline within which you have to leave the territory of the Member State. You took the decision to return to your country of origin. In that case we speak about voluntary departure. The national authorities of the European country where you are residing will inform you about the possibility of receiving reintegration assistance and the deadline within which you have to leave the country.

c. You have received a return decision, as explained under b, and you have not chosen to depart within the set deadline (voluntary departure). In this case the return decision becomes enforceable, and you accept the consequences of being returned by force.

Please note that EU Member States are responsible for determining whether you are eligible or not for reintegration assistance, according to their national legislation, when submitting applications for Joint Reintegration Services.
WHAT TYPES OF REINTEGRATION ASSISTANCE ARE AVAILABLE?

Joint Reintegration Services comprise two types of assistance:

**Short-term assistance:** Upon arrival, you may be provided with immediate support for the first few days in the form of airport pick-up, short term accommodation, medical assistance, onward transport, family reunification and limited financial support.

**Long-term assistance:** A reintegration plan can be developed for a period of up to 12 months. Your Return and Reintegration Counsellor in the host country and our organisation in your country of origin will discuss with you the best options and agree on the implementation once you are back in your country of origin. Examples of long-term reintegration assistance include:

**LONG-TERM HOUSING AND RELATED COSTS**

**REGULAR MEDICAL ASSISTANCE**

**EDUCATION (SCHOOLING AND VOCATIONAL TRAINING)**

**JOB COUNSELLING AND ASSISTANCE IN ACCESSING THE LABOUR MARKET**

**ASSISTANCE IN SETTING UP A SMALL BUSINESS**

**FAMILY REUNIFICATION**

**LEGAL COUNSELLING AND ADMINISTRATIVE SUPPORT**

**PSYCHOSOCIAL SUPPORT**

In both cases, you will be provided with specialised support from the Reintegration Partner, who will monitor your reintegration plan and may also help by referring you to other organisations.
WHAT CAN I EXPECT FROM MY RETURN AND REINTEGRATION COUNSELLOR?

During one-on-one counselling sessions with a return counsellor, you will receive useful information about your possibilities of return and the options for support and reintegration assistance. Your Counsellor is trained to support you and can answer all the questions that you might have. You can ask your Return and Reintegration Counsellor at any time what are your rights in relation with your application. During a counselling session you can request an interpreter if you do not feel comfortable speaking the same language as the counsellor.

If you express interest in receiving reintegration assistance, your Counsellor needs to collect important information to process your application. You will be requested to provide information about your identity documents, family members and their possible contact details and destination. The information provided will be collected in accordance with data protection legal requirements. Please do not hesitate to inform your Counsellor of any special needs.

During your application you will be asked to fill in a form and to give Frontex permission to handle your personal data. This information is needed for the Reintegration Partner to confirm your identity and will only be used for this purpose, in accordance with the European General Data Protection Regulation.
